

We have been involved with many exciting geophysical discoveries in Ireland and abroad and regard publication and presentation of results as an important outcome of a project. LGS has an established record in publishing and presenting results in books, journals, magazines, field guides, websites, on video and in radio and TV programmes. We are happy to work with clients in assisting with publishing and presenting the results of surveys.

Presenter(s) underlined

2018

Barton, K. 2018. *Rath Airthir Archaeology Survey – Update August 2018*. Talteann & Donaghpatrick Heritage Group, Gibstown Hall, Navan, Co Meath, 6th September 2018.

Barton, K. and Forde, L. 2018. *Drumgoon Hill Old Graveyard Conservation and Management Plan; Recording the Graves and Mapping the Archaeology*. Heritage Week Event, Gallonray House, Maudabawn, Cootehill, Co Cavan, 18th August 2018.

Barton, K. 2018. *From above and below: inner secrets of Wallingford Castle's Inner Bailey?* Presented at June Meeting, Wallingford Historical & Archaeological Society, St Mary's Church, Wallingford, 13th June 2018.

Barton, K. 2018. *Community Archaeological Remote Sensing*. Paper presented at Annual Conference, Association of Young Irish Archaeologists, NUI, Galway, 22nd April 2018.

Barton, K., Keats-Rohan, K., Latham, G. and Dewey, J. 2018. *Wallingford Castle, Oxfordshire, England; Community-based Remote Sensing Studies of the Inner Bailey*. Paper presented at Archaeology Above & Below 2018 Conference, Rathcroghan Visitor Centre, Tulsk, Co Roscommon, 15th April 2018.

Barton, K. and Dowling, S. 2018. *Round Hill: Topography, Photogrammetry and Geophysical Survey*. Paper presented at Archaeology Above & Below 2018 Conference, Rathcroghan Visitor Centre, Tulsk, Co Roscommon, 14th April 2018.

Barton, K. and Callaghan, B. 2018. *From the Bronze Age to the Middle-Age – What can we say about 3 sites in the Moybologue area so far?* Moybologue Historical Society, St. Mary's Hall, Tierworker, Co Meath, 6th April 2018.

Barton, K. 2018. *Community Geophysical Surveys with Reference to Teampaill Mhóire, Baile Bhiocáire, Dún Chaoin, Co. Chiarraí*. Presentation to Comharchumann Dhún Chaoin Teoranta, Ionad an Bhlascaoid Mhóir, Dún Chaoin, 21st March 2018.

Barton, K. 2018. *Drumgoon Hill Graveyard Conservation and Management Plan; Progress on Community Graveyard Mapping Survey and Headstone Recording – Update January 2018*. Community Presentation, Gallonray House, Cootehill, Co Cavan, 11th January 2018.

2017

Barton, K. 2017. *Millmount Archaeological Remote Sensing (MARS) Project; Results from Geophysical Surveys at Millmount, Drogheda, Co Louth*. Old Drogheda Society, Drogheda Millmount Museum, 7th November 2017.

Barton, K. and Latham, G. 2017. *New views of LiDAR data for Wallingford Castle and Town using RVT open source software*. Conference 2017, Council for Independent Archaeology, Sharpe's Pottery Museum, Swadlincote, S. Derbyshire, England, 22nd October 2017.

Barton, K. 2017. *Moybologue - Geophysics in a Graveyard; Preliminary Results*. Heritage Week Event, Moybologue Historical Society, Bailieborough Library, Bailieborough, Co Cavan, 26th August 2017.

Forde, L. and **Barton, K.** 2017. *Drumgoon Hill Graveyard Conservation and Management Plan; Progress on Community Graveyard Mapping Survey and Headstone Recording.* Heritage Week Event, Gallonray House, Cootehill, Co Cavan, 26th August 2017.

Barton, K. 2017. *Rath Airthir Archaeology Survey; Progress Report.* Heritage Week Event, Talteann & Donaghpatrick Heritage Group, Gibstown Hall, Navan, Co Meath, 25th August 2017.

Barton, K. and Dowling, S. 2017. *Remote Sensing Surveys of Roundhill, Lismore, Co Waterford; Images and 3D models.* Heritage Week Event, Lismore Heritage Centre, Lismore, Co. Waterford, 21st August 2017

Wroniecki, P., Bulas, J., **Barton, K.**, Brejcha, R., Mesterházy, G., Krajňák, M. & Kušnirák, D. 2017. *Really ephemeral sites? Viewing the Lesser Poland loess landscapes through a non-invasive lens.* Paper presented at 'Finds in the Landscape; New Perspectives and Results from Archaeological Surveys, International Conference, LVR-Amt für Bodendenkmalpflege in Rheinland, Fritz Thyssen Stiftung, Cologne, Germany, 12th to 13th June 2017.

Barton, K., Hesse, R. & Kokalj, Ž. 2017. *Rathcroghan; a View from Above.* Paper presented at Archaeology Above & Below Conference, Rathcroghan Visitor Centre, Tulsk, Co Roscommon, 9th April 2017.

Fahey, M. 2017. *Lismore Heritage Centre and the Round Hill Project.* **Barton, K.** Paper presented on behalf of M. Fahey at Archaeology Above & Below Conference, Rathcroghan Visitor Centre, Tulsk, Co Roscommon, 8th April 2017.

Barton, K. 2017. *Recording and Presenting Your Graveyard: Research, Maps and Documenting Plots and Headstones.* Moybologue Historical Society, St. Mary's Hall, Tierworker, Co Cavan, 7th February 2017.

Barton, K. 2017. *Study of Ancient Heritage sites in Dunlewey.* Forbairt Dhún Lúiche, Dunlewey, Co. Donegal, 6th February 2017

2016

Barton, K. 2016. *Community Archaeological Remote Sensing.* Teltown & Donaghpatrick Heritage Group, Donaghpatrick Hall, Teltown, Co Meath, 9th November 2016.

Barton, K. 2016. *BARS & SARS; Some Archaeological Engagement with Schools in County Mayo, Ireland.* Education Department, Keltenwelt am Glauberg Museum, Glauberg, Germany, 31st August 2016.

Barton, K. 2016. *What have we found out about Gallowshill?* Heritage Week Public Presentation, Gallowshill, Dungarvan, Co Waterford, 28th August 2016.

Barton, K. 2016. *Topographical and Geophysical Survey of Cill Ghallagáin Mound; Progress Report.* Heritage Week Public Presentation, Comhar Dún Chaocháin Teo, Sean Scoil, Carrowteige, Co Mayo, 26th August 2016.

Curley, D. and Barton, K. 2016. *Exploring what lies beneath the earthworks of Dundonnell Castle*. Heritage Week Public Presentation, Taughmaconnell Community Centre, Taughmaconnell, Co Roscommon. 25th August 2016.

Barton, K. and Scott, F. 2016. *Investigation of Crannóg at Loughnanane, Co Roscommon; Progress Report*. Heritage Week Public Presentation, Hannon's Hotel, Roscommon Town, 23rd August 2016

Barton, K. and Dowling, S. 2016. *Roundhill Archaeological Research Project*. Heritage Week Public Presentation, Lismore Heritage Centre, Lismore, Co. Waterford, 20th August 2016.

Barton, K. and Lawless, C. 2016. *Schools Archaeological Remote Sensing (SARS) Project; Mayo Abbey and Parke National Schools, County Mayo*. Paper presented at Archaeology Above & Below Conference, Rathcroghan Visitor Centre, Tulsk, Co Roscommon, 17th April 2016.

2015

Barton, K. 2015. *Some applications of earth resistance survey in community, academic research and commercial projects*. Paper presented at Council for Independent Archaeology, Annual Conference, 'Resources and Techniques in Archaeology', East Dorset Antiquarian Society, Wimborne, Dorset, England, 19th September 2015.

Barton, K. 2015. *Community Archaeological Remote Sensing; Techniques used on Kilberry Amenity and Heritage Group Projects*. Heritage Week Public Presentation, Wilkinstown National School, Wilkinstown, Co Meath, 30th August 2015.

Curley, D. and Barton, K. 2015. *Dundonnell Castle; preliminary remote sensing results*. Heritage Week Public Presentation, Taughmaconnell Community Centre, Taughmaconnell, Co Roscommon. 28th August 2015.

Barton, K. and Lawless, C. 2015. *Community Archaeological Remote Sensing*. Heritage Week Public Presentation, National Museum of Ireland – Country Life, Turlough, Co Mayo, 28th August 2015.

Barton, K. 2015. *A Community Geophysical Survey of the Mound at Gallows Hill, Dungarvan, Co Waterford; some Results*. Public presentation, Waterford County Museum, Dungarvan, Co. Waterford, 21st August 2015.

Barton, K. and Curley, D. 2015 *Archaeological Remote Sensing; some Community Engagement in Ireland*. Paper presented at "Cultural Heritage Communities: Technologies and Challenges" 28th June 2015 workshop held at 7th International Conference on Communities & Technologies (C&T2015), University of Limerick, 27th to 30th June 2015.

Barton, K. 2015. *What does Gabriel Beranger's 'mound' at Howth represent?* Presentation to Resurrecting Monuments Project, St Doulagh's Church, Malahide, Dublin, 7th May 2015.

Barton, K. 2015. *How can archaeological remote sensing be used by schools and local community and heritage groups?* Paper presented at Archaeology Above & Below Conference, Rathcroghan Visitor Centre/Tulsk Inn, 11th & 12th April 2015.

Barton, K. 2015. *Using open source and low cost software to visualize photographs and LiDAR data from archaeological sites.* Paper presented at Archaeology Above & Below Conference, Rathcroghan Visitor Centre/Tulsk Inn, 11th & 12th April 2015.

Barton, K. 2015. *Community Geophysical Survey.* Presentation at Seminar on Community Archaeology, Heritage Council, Heritage Officers Meeting, Granville Hotel, Waterford City, 11th March 2015.

Barton, K., Curley, D. and Walsh, T. 2015. *Above and Below; Community Engagement in Remote Sensing in Ireland.* Paper presented at 'Sensing the Past; New Approaches to European Landscapes' ArchaeoLandscapes Europe Final Conference 2015, Goethe University, Frankfurt, Germany, 24th to 26th February 2015.

2014

Barton, K., Matthews, B. and Brady, C. 2014. *Recent Results from the Millmount Archaeological Remote Sensing (M.A.R.S.) Project.* Paper presented at 'Recent Archaeological Research in the Boyne Valley' public seminar, Conyngham Arms Hotel, Slane, Co Meath, 29th November 2014.

Brady, C. and Barton, K. 2014. *Geophysical Survey in the Brú na Bóinne WHS; Construction of a GIS database.* Paper presented at 'Recent Archaeological Research in the Boyne Valley' public seminar, Conyngham Arms Hotel, Slane, Co Meath, 29th November 2014.

Kenny, J. and Barton, K. 2014. *Kilberry, Co Meath, Ireland; Community Archaeology Above and Below.* Paper presented at 'Recent Archaeological Research in the Boyne Valley' public seminar, Cunningham Arms Hotel, Slane, Co Meath, 29th November 2014.

Brady, C., Matthews, B. and Barton, K. 2014. *Millmount Archaeological Remote Sensing Project; Current Results.* Paper presented to Old Drogheda Society, Drogheda Millmount Museum, 22nd October 2014.

Barton, K. and Kenny, J. 2014. *Kilberry, Co Meath, Ireland; Community Archaeology Above and Below.* Paper presented at Aerial Archaeology Research Group, International Conference, Woodquay Venue, Dublin, 24th to 26th September 2014.

Brady, C. and Barton, K. 2014. *Geophysical Survey in the Brú na Bóinne WHS.* Paper presented at Aerial Archaeology Research Group, International Conference, Woodquay Venue, Dublin, 24th to 26th September 2014.

Barton, K. and Curley, D. 2014. *Remote Sensing; some ArcLand Community Engagement in Ireland.* Presentation at ArchaeoLandscapes Europe, 5th Plenary Meeting, the Central Hotel, Dublin, 23rd September 2014.

Barton, K., Walsh, T., Cooney, M. & Finlay, A. 2014. *Balla Archaeological Remote Sensing Project; an Innovative Transition Year Module*. Archaeology Above & Below Conference, Rathcroghan Visitor Centre/Tulsk Inn, 5th & 6th April 2014.

2013

Hesse, R. and **Barton, K.** 2013. *What's in a hole? Detecting and interpreting small topographic depressions in lidar-based high resolution elevation models*. Aerial Archaeology Research Group, International Conference, 'The Past and Present from Above', Cultural Heritage Agency of the Netherlands, Amersfoort, the Netherlands, 26th September 2013.

Barton, K., Cowman, D. and Többe, K. 2013. *The Archaeology of the Copper Coast and the Tankardstown Copper Mine, Co Waterford, Ireland*. Council for Independent Archaeology, Annual Conference, 'Remembering Mick Aston', Shipham Village Hall, Shipham, Somerset, England, 21st September 2013.

Barton, K. and Brady, C. 2013. *The Search for Amhairgin; Millmount Archaeological Remote Sensing (MARS) Project*. Public Lecture, National Heritage Week Event, Old Drogheda Society, Millmount Cultural Centre, Drogheda, Co. Louth, 22nd August 2013.

Barton, K. 2013. *Lasers in the Landscape*. Public Lecture, National Heritage Week Event, Campile/Horeswood Historical Society – Sliabh Coillte Heritage Group, JFK Arboretum, New Ross, Co Wexford, 19th August 2013.

Barton, K. 2013. *Is it a Hall or is it a grave? - investigating a cropmark using multi-method geophysics followed by a test excavation*. Sliabh Coillte Heritage Group, Campile, Co. Wexford, 22nd May 2013.

Barton, K. 2013. *Graveyard Survey*. RSS Training Workshop, Ballinasloe Town Council, Ballinasloe, Co Galway, 18th April 2013.

Barton, K. and Hesse, R. 2013. *Interpreting remote sensing data in a glaciated, karst lowland landscape; what lies around Rathcroghan Mound, Tulsk, Co Roscommon, Ireland?* Rathcroghan Conference 2013. 'Peeling back the layers' Tulsk Inn, Tulsk, Co. Roscommon, 12th to 14th April 2013.

2012

Davis, S., Brady, C. and **Barton, K.** 2012. *Multi-method archaeological prospection in the Brú na Bóinne WHS, Co. Meath, Ireland*. Computer Applications and Quantative Methods in Archaeology, CAA 2012, University of Southampton, England, 26th – 30th March 2012.

Barton, K. 2012. *The Light Fantastic; A Preliminary Analysis of Airborne LiDAR data from the Rathcroghan Complex, Co Roscommon*. Conference; "Rathcroghan; An Enigmatic Landscape", Cruachan Aí Heritage Centre, Tulsk, Co Roscommon, 13th – 15th April 2012.

Barton, K. 2012. *Is it a Hall or is it a grave? - investigating a cropmark using multi-method geophysics followed by a test excavation*. AARTS2012, First Aerial Archaeology Research Training School, Kocaeli, Turkey, 20th – 30th July 2012.

Barton, K. 2012. *Geophysical explorations of Rathcroghan Mound and their intriguing possibilities*. Seminar, Irish Quaternary Association, Field Meeting in Co. Roscommon and South Sligo, Tully's Hotel, Castlereagh, Co. Roscommon, 7th - 9th September 2012.

Brady, C., Barton, K. and Seaver, M. 2012. *The Saint, a Mound and the Flame on the Hill: Integration of Remote Sensing Techniques on the Hill of Slane Archaeological Project*. Aerial Archaeology Research Group Conference, Institute of Archaeological Sciences, Eötvös Loránd University, Budapest, Hungary, 13th – 15th September 2012.

Barton, K. and Hesse, R. 2012. *Interpreting remote sensing data in a glaciated, karst lowland landscape; what lies in and around Rathcroghan Mound, Tulsk, Co Roscommon, Ireland?* Aerial Archaeology Research Group Conference, Institute of Archaeological Sciences, Eötvös Loránd University, Budapest, Hungary, 13th – 15th September 2012.

Barton, K. 2012. *Balla Archaeological Remote Sensing Project - background and current work*. Community presentation, Balla No Name Club, Balla, Co Mayo, 22nd November 2012.

Barton, K. 2012. *Geophysical imaging in geological and archaeological investigations in some Irish wetland environments*. Irish Quaternary Association, Annual Autumn Symposium, "Remote sensing: Applications in Quaternary Science, Archaeology and Landscape Management" Geological Survey of Ireland, Dublin, 30th November 2012.

Hill, I., Barton, K., Brady, C., Williams, L. and Krajnák, M. 2012. *Landscape geophysical surveys at Brú na Bóinne World Heritage Site: survey techniques, data quality, and initial archaeological interpretation*. 'Recent Work in Archaeological Geophysics', Near-Surface Geophysics Group, the Geological Society, Burlington House, London. 4th December 2012.

Barton, K., Brady, C., Hill, I., Williams, L. and Krajnák, M. 2012. *Geophysical surveys at Site E; preliminary results with an evaluation of a multi-sensor survey platform for use in large-scale geophysical Surveys in Brú na Bóinne*. 'Recent Archaeological Research in the Boyne Valley' public seminar, Conyngham Arms Hotel, Slane, Co Meath, 15th December 2012.

Barton, K., Brady, C., Pašteka, R., Zahorec, P., Papčo, J. and Murin, I. 2012. *Searching for hidden chambers at Newgrange Passage Tomb; some results with an evaluation of the multi-method geophysical techniques used*. 'Recent Archaeological Research in the Boyne Valley' public seminar, Conyngham Arms Hotel, Slane, Co Meath, 15th December 2012.

Brady, C., Barton, K. and Seaver, M. 2012. *From Prehistory to the Present: Recent Archaeological Survey on the Hill of Slane*. 'Recent Archaeological Research in the Boyne Valley' public seminar, Conyngham Arms Hotel, Slane, Co Meath, 15th December 2012.

2011

Gibbons, M., Joyce, S. & Barton, K. 2011. *The Marconi Station at Derrigimlagh*. Clifden and Connemara Heritage Society, joint public lecture, Clifden Station House Hotel, Clifden, Co Galway, 15th January 2011

Barton, K. 2011. *Seeing beneath the soil and water in the Boyne Valley; geophysical surveys reveal there's more than meets the eye.* 'Recent Research in the Boyne Valley' public seminar, dHotel, Scotch Hall, Drogheda, Co. Louth, 26th February 2011.

Barton, K., Brady, C. & Seaver, M. 2011. *Some Geophysical Survey Methodologies for Archaeological Research in the Brú na Bóinne World Heritage Site, County Meath, Ireland.* 'Near Surface 2011' 17th European Meeting of Environmental and Engineering Geophysics, European Association of Geoscientists and Engineers, University of Leicester, England, 13th September 2011.

Barton, K., Brady, C. & Seaver, M. 2011. *A Tale of Two Mounds: Integrating LiDAR and Multi-method Geophysical Survey in Investigations on Rathcroghan Mound and the Hill of Slane, Ireland* 'Ambitions and Realities; Remote Sensing for Archaeology, Research and Conservation' Joint meeting of the Aerial Archaeology Research Group and European Association of Remote Sensing Laboratories, Institute of Prehistory, Adam Mickiewicz University, Poznan, Poland, 21st -24th September 2011.

Barton, K. and Joyce, S. 2011. *1919, a Man with a Limp and the Hole in the Bog.* Informal session, 'Ambitions and Realities; Remote Sensing for Archaeology, Research and Conservation' Joint meeting of the Aerial Archaeology Research Group and European Association of Remote Sensing Laboratories, Institute of Prehistory, Adam Mickiewicz University, Poznan, Poland, 21st – 24th September 2011.

Brady, C. and **Barton, K.** 2011. *From the Ground Up: Multi-method survey and excavation at Rossnaree, Brú na Bóinne WHS, Ireland.* 'Ambitions and Realities; Remote Sensing for Archaeology, Research and Conservation' Joint meeting of the Aerial Archaeology Research Group and European Association of Remote Sensing Laboratories, Institute of Prehistory, Adam Mickiewicz University, Poznan, Poland, 21st -24th September 2011.

Davis, S., Brady, C., Megarry, W. & **Barton, K.** 2011. *The Boyne Valley Landscapes Project* 'Ambitions and Realities; Remote Sensing for Archaeology, Research and Conservation' Joint meeting of the Aerial Archaeology Research Group and European Association of Remote Sensing Laboratories, Institute of Prehistory, Adam Mickiewicz University, Poznan, Poland, 21st – 24th September 2011.

Brady, C. and **Barton, K.** 2011. *Life and Death on the Banks of the Boyne in the Early Medieval Period: The survey and excavation of the Rossnaree Enclosure.* 'Vikings in County Louth; Raiders, Traders and Innovators' Conference, County Museum, Dundalk, 21st to 23rd October, 2011.

Gibbons, M., Joyce, S. & **Barton, K.** 2011. *Clifden Marconi Station, a global communication hub, 1905-1922 (a lost industrial landscape).* 'Heritage tourism and community initiatives : the value of communicating archaeology' Autumn Conference, Institute of Archaeologists of Ireland, Gresham-Metropole Hotel, Cork City, 4th & 5th November 2011.

Brady, C., Seaver, M. & **Barton, K.** 2011. *The Hill of Slane Archaeological Project*. 'Heritage tourism and community initiatives : the value of communicating archaeology' Autumn Conference, Institute of Archaeologists of Ireland, Gresham-Metropole Hotel, Cork City, 4th & 5th November 2011.

Barton, K., Joyce, S. & Gibbons, M. 2011. *Investigating the Marconi Wireless Transmission site (1905 – 1922) at Derrigimlagh and the Alcock & Brown landing site (1919) to the south*. Council for Independent Archaeology AGM & Conference, Sharpes Pottery Museum, Swadlincote, South Derbyshire, England, 27th November 2011.

2010

Barton, K., Bonsall, J., & Gimson, H. 2010. *Wetland Geophysics; Some Applications in Irish Archaeological Settings*. Wetland Archaeology in Ireland and Beyond. Conference, University College Dublin. 6th to 7th February 2010.

Barton, K., Bonsall, J., & Gimson, H. 2010. *Wetland Geophysics; Some Applications in Irish Archaeological Settings*. Lecture for Dept of Archaeology, Norwegian University of Science and Technology study visit to Ireland, Mill Times Hotel, Westport, Co Mayo. 12th March 2010.

Barton, K. and Brady, C. 2010. *The Discovery of the Rosnaree Enclosure, Co Meath, Ireland: Implications for the Continuing Evaluation of the Archaeological Potential of the Brú na Bóinne World Heritage Site*. Recent Work in Archaeological Geophysics, Near-Surface Geophysics Group, the Geological Society, Burlington House, London. 15th December 2010.

2009

Barton, K. 2009. *There's more than meets the eye at Rathcroghan Mound*. Lecture for Dept of Archaeology, Norwegian University of Science and Technology study visit to Ireland, Westport Inn, Westport, Co Mayo. 13th March 2009.

Barton, K., Stenvik, L. & Birgisdottir, B. 2009. *A Chieftain's Hall or a Grave: Ground Penetrating Radar in an Archaeological Geophysics Survey to Target the Excavation of a Cropmark near Stiklestad, Nord-Trondelag, Norway*. 5th International Workshop on Advanced Ground Penetrating Radar IWAGPR2009, University of Granada, Granada, Spain. 27th to 29th May 2009.

Barton, K. and Stenvik, L. 2009. *The Painful Heritage Project*. Public Lecture, Falstad Memorial and Human Rights Centre, Falstad, Nord-Trondelag, Norway. 16th August 2009.

Barton, K., Bonsall, J. & Gimson, H. 2009. *Multi-method Geophysical Survey Reveals some Secrets of the Stone*. Clonmacnoise Studies 3, Seminar, Clonmacnoise National School. 3rd October 2009.

2008

Barton, K. and McCarthy, M. 2008. *Newgrange cursus to the passage tomb: seeing beneath the soil with geophysical surveys*. Brú na Bóinne World Heritage Site Research Framework, Heritage Council Public Information Seminar, Conyngham Arms Hotel, Slane, Co, Meath. 11th March 2008.

Barton, K., Bonsall, J. & Gimson, H. 2008. *Investigating enclosures: one geophysical tool or many?* World Archaeology Congress 6 – University College Dublin. 29th June to 4th July 2008.

Stenvik, L., Barton, K., Bonsall, J., Gimson, H. & Randolph, C. 2008. *Cropmarks in the landscape; a Chieftain's Hall near Stiklestad, Nord-Trondelag, Norway?* World Archaeology Congress 6 – University College Dublin. 29th June to 4th July 2008.

Stenvik, L. and Barton, K. 2008. *Multi-Method Archaeological Geophysics in Ireland and Norway; Research and Developments at NTNU, Trondheim*. Riksantikvaren, Direktoratet for Kulturminneforvaltning, Oslo, Norway. 26th August 2008.

Barton, K. and Stenvik, L. 2008. *The Application and Evaluation of Topographic and Geophysical Techniques in the Investigation of a Cropmark at Stiklestad, Nord-Trondelag*. 9th Nordic Conference on the Application of Scientific Methods in Archaeology - SMIA. National University of Science and Technology, Trondheim, Norway. 11th to 14th September 2008.

Sæther, T., Barton, K. & Gimson, H. 2008. *Seeing beneath the soil at Hamar; preliminary results from geophysical surveys*. Stiftelsen Domkirkeodden, Hamar, Norway. 23rd September 2008.

Barton, K. 2008. *Mapping Moygara Castle; from Markus Casey's instrument survey to the Moygara Castle Research Project*. Institute of Archaeologists of Ireland, Autumn Conference 2008, Clarion Hotel, Sligo. 17th to 19th October, 2008.

Barton, K. 2008. *Newgrange Passage tomb and the Cursus: There's more to see than meets the eye*. Autumn Lecture Series, Brú na Boinne Visitor Centre, Newgrange, Co Meath. 22nd October 2008.

2007

Barton, K. 2007. *In Search of Lost Horizons; Geophysical Surveys of some Terrestrial and Underwater Archaeology Sites in Ireland*. Lecture for Dept of Archaeology, Norwegian University of Science and Technology study visit to Ireland, Westport Inn, Westport, Co Mayo. 6th March 2007.

Barton, K., Stenvik, L., Binns, R., Eide, E. & Kimo, I.M. 2007. *Geophysical Surveys at Munkeby Kloster, Levanger, Trøndelag, Norway*. Seminar; Norwegian University of Science and Technology and Institute of Technology, Sligo, IT Sligo. 7th March 2007.

Barton, K., Binns, R., Eide, E. & Stenvik, L. 2007. *Results from Archaeological Geophysical Surveys carried out at Munkeby Kloster, Levanger*. Geofysikk – seminar, Midgard Historisk Senter, Horten, Norway. 26th to 27th April 2007.

Barton, K., Bonsall, J. & Gimson, H. 2007. *Underground, under mound and underwear; some archaeological places that research and commercial GPR surveys have taken us*. Ground Penetrating Radar in the Built and Natural Environment: Geophysical Association of Ireland: Seminar '07, Green Isle Hotel, Newland's Cross, Dublin. 23rd May 2007.

Barton, K. 2007. *Columban Connections; Geophysical Images of Monastic Sites at Mayo Abbey and Glencolmcille*. Heritage Week Public Lecture, Oideas Gael, Glencolmcille, Co Donegal. 30th August 2007.

Barton, K. 2007. *Geofysikk og Arkeologi*. Public Lecture, Stiklestad Nasjonale Kultursenter, Stiklestad, Norway. 26th September 2007.

2006

Barton, K. 2006. *Circles, arcs and lines: glimpses of prehistoric Ireland from archaeological geophysics*. Public Lecture, Institute of Technology, Sligo. 6th March 2006.

Barton, K. 2006. *Circles, arcs and lines: glimpses of prehistoric Ireland from archaeological geophysics*. Excavation Fieldschool, Glenveagh, Co Donegal, Centre for the Study of Rural Ireland, Illinois State University. Donegal County Museum, Letterkenny, Co Donegal. 30th June 2006.
